EDGE ETCHINGS.

We have had quite a little cold snap and it seems to be holding its own although every one is wishing for pretty weather for Christmas.

There was no preaching on Sunday school Sunday on account of the freeze but everybody was able to be out to skate.

Mr. Sam Cavitt and friends from the ranch, were out sleighing Sunday afternoon.

Mr. and Mrs. W. J. McDonald visited friends and relatives at Norman-gee Saturday and Sunday, returning home Sunday afternoon.

Messrs. Prentice and Robert Wilson, who are attending school at Norman-gee, are at home to spend Christmas.

Mrs. Etta Payne has been quite sick but is better at this writing.

Mr. Rube McDonald and Prof. Mims were the guests of Mr. Wilson Sunday.

Mrs. Bingham moved back to Edge Tuesday from Cavitt's ranch. We are glad to have Mrs. Bingham with us again.

Our school will close Thursday until after New Year. The teachers will go to their homes for the holidays.

Prof. Mims' concert was postponed on account of the bad weather.

MADE IMPORTANT ARREST.

Sheriff Conlee made an important arrest here last night as a result of which two light fingered gentry are languishing in jail for being too handy with other people's property.

Wednesday night an old negro man and his wife were coming down from the blacklands where they had been picking cotton, and where they had saved about fifty dollars. As the train was coming into Bremond the old man made some small purchases and took out his purse to pay for it. The two negroes saw it and snatched it out of his hands and jumped from the train. The old negro came on to Bryan and told Sheriff Conlee and a watch was kept for the two negroes all day yesterday. Just as the south bound train came in last night, they showed up and the old negro knew them at once. Mr. Conlee also had a description of them from other parties and would have known them himself. They were placed under arrest and are now in jail. One claims to be from Dallas and the other from Oklahoma City.

UNION CHRISTIAN SERVICE.

The union Christmas service will be held to-morrow morning at 11 o'clock at the First Christian church. The sermon will be delivered by Dr. J. T. Caughley, the pastors of the other churches taking part in the service. A cordial invitation is extended to the people of all the churches, and the citizens generally to attend this service.

A Week of Blunders.

Sir William Barclay once told me that he had dined out every night for a whole week in advance of his invitation. He discovered his mistake only on the last night, when on going to dine with some people who gave long invitations and large dinners he found them alone. After a very pleasant evening he thanked them for asking him in so friendly a manner, whereupon they explained that the invitation had been for a week later, but that they had been only too delighted at his mistake. On hearing this Sir William looked at his engagement book and discovered that this was the last of a number of invitations which he had anticipated by a week. "Memories of Fifty Years," by Lady St. Helier.

Tiny Work.

Mark Seillot, a blacksmith, in 1578, in the twentieth year of Queen Elizabeth's reign, made a lock consisting of eighteen pieces of steel, iron and brass, with a hollow key to it, that altogether weighed but one grain of gold. He also made a gold chain, composed of forty-three links, which he fastened to the lock and key. In the presence of the queen he put the chain about the neck of a flea, which drew it with ease, after which he put the lock and key, flea and chain into a pair of scales, and they together weighed but one grain and a half. This is vouched for by an old writer.

Impossible.

A lusty lunged auctioneer was holding forth in flowery terms on the virtues of a particular brand of cigars he was endeavoring to induce his audience to purchase. Holding up a box of cigars, he shouted: "You can't get better, gentlemen. I don't care where you go, you can't get better!" "No," came a cynical voice from a man in the crowd. "You can't. I smoked one last week and I'm not better yet!"—People.

That Wheezy Sound.

"Say," inquired the boy next door of the little girl whose father suffered from asthma, "what makes your father wheeze so?" "I guess it's one of his inside organs playing."—Puck.

Tommy's Share.

"Well, Tommy, what part of the chicken will you have?" "Why, paw, you know I always take the back when there's company."—St. Louis Republic.

ONE LESS BALD HEAD.

If You are Losing Your Hair Read this Interesting Letter.

Giroux Mfg. Co., Buffalo, N. Y.
Dear Sirs:—"I was told of your great remedy, Parisian Sage, that it would grow hair on bald heads, so I got a bottle and tried it and it is fine. I am a young man and only 25, and was completely bald on the top of my head and now I have hair one inch long with the use of only one bottle. I only wish I could have shown you my photo before the hair started to grow and how it is now. I shall certainly keep on using it until I have a good head of hair which I have no doubt it will bring." Oscar Armstrong, Engineer, Belleville Horse Shoe & Rolling Mill Co., Belleville, Ontario, Aug. 21, 1909.

To every reader of The Eagle the American makers of Parisian Sage wish to emphatically state that they do not guarantee Parisian Sage to grow hair on bald heads, because in the great majority of cases the hair roots are absolutely dead and not even the wonderful virtue of Parisian Sage can resurrect them.

Mr. Armstrong started to use Parisian Sage in time, before the hair root was entirely dead and in such a case there is no good reason why Parisian Sage should not restore his hair.

E. J. Jenkins guarantees Parisian Sage to remove every trace of dandruff stop falling hair and itching scalp in two weeks or money back, but he does not guarantee it to grow hair on bald heads.

Sold by leading druggists all over America and in Bryan by E. J. Jenkins. Large bottle 50 cents.

A GOOD REASON.

Bryan People can Tell Why it is So. Doan's Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping ethmo drive out of the body the liquid poisons that cause backache and distressing kidney and urinary complaints. Bryan people testify to permanent cures.

compelled to rise several times at night on account of too frequent passages of the kidney secretions. I also had severe pains in my back and my energy was in such a low state that I found difficulty in attending to my daily duties. Some time ago I had the good fortune to hear of Doan's Kidney Pills and getting a supply at Emmet Maloney's drug store, I began their use. Their effect was prompt and the results were of a more satisfactory nature than I had received from any other preparation I had previously tried. I can recommend Doan's Kidney Pills highly, knowing from experience they are a specific for kidney disorders."
